

THE CARLISLE GROUP
An Executive Search & Recruitment Firm

Brett Myers, CSAM®

Managing Director, Grocery Retail/Wholesale

717-207-8786 | BCM@TCGrecruit.com

Brett has been a vital part of TCG's Grocery Retail talent team since 2001, but his connection with the grocery industry goes back even further. Not only did his family own a small-town grocery store, but his grandmother worked as a union meat-wrapper for much of her life. With grocery in his blood, it's no wonder that Brett excels in discovering top talent in the grocery, supercenter, and convenience sectors of the retail industry.

Brett holds a CSAM designation and is a recognized leader, consistently ranked at the top of the recruiting profession. He is committed to demonstrating the highest ethical standards, to pursuing continuous professional development, and to delivering quality customer service.

Brett takes a consultative approach in order to provide a customized search solution to fulfill each of his clients' needs; filling positions both vertically and horizontally from single-owner stores to multi-billion dollar corporations.
