

THE CARLISLE GROUP
An Executive Search & Recruitment Firm

Executive Search Specialists

Founded in 1996, The Carlisle Group (TCG) began as a General Manufacturing Firm, but before long, it expanded to include teams of experts in Construction, Food Manufacturing, Food Service, Grocery Retail, Insurance & Nonprofit. Although these are currently our core industries, our team has the ability to work with almost any industry and has previously worked within Healthcare, Banking, Professional Services and more!

Our industry knowledge and significant hands-on experience are unsurpassed, but these reasons only begin to explain how we've been successful in the recruitment and consulting industry for so many years. Working one-on-one with each of our clients is critical to building healthy, prosperous and long-lasting relationships. Our approach is comprehensive; we ask penetrating questions, offer "best in class" services, define workable processes and communicate honestly to ensure exceptional results. Our mission is to help our clients build sustainability and success into their organizations with every hire.
